Address
Ethiopia., Any City

Education

Bachelor of degree
hawassa University
2024 - 2027

hawassa University

hobby

- Software Development
- Programming Challenges
- Data Science and Analytics
- Open Source Contributions
- Learning New Technologies
- Team Sports

Language

- English
- amharic- native

Professional Experience

About Me

- I am a Computer Science student at Hawassa University with a strong interest in software development, data science, and web technologies. I enjoy creating practical solutions through programming and continuously expanding my knowledge of new technologies. Through my academic projects and personal learning, I have gained experience in JavaFX application development, front-end and back-end web development, and database management.

Professional Experience

- Software Development Projects and Academic Experience
- Designed and developed web applications using HTML, CSS, JavaScript, PHP, and MySQL.
- Developed and managed database systems for data storage, retrieval, and reporting.
- Applied object-oriented programming principles.
- Collaborated with team members on academic and practical software development projects.
- Utilized Git and GitHub for version control and project management.
- Conducted data analysis and visualization tasks using Python and data science tools.

Professional Skills

- Front-End Development: HTML5, CSS, JavaScript and Bootstrap
- Back-End Development: PHP, MySQL, Database Design and Management and Server-Side Programming
- Programming Languages: Java, Python, JavaScript
- Data Science & Analytics: Data Analysis
- Tools & Technologies: ✓ Git, GitHub, Visual Studio Code (VS Code), NetBeans, IntelliJ IDEA.
- Professional Skills:
  ✓ Problem Solving, Critical Thinking, Team Collaboration
  ✓ Communication Skills, Time Management, Adaptability.
